About the IFRS Foundation

The IFRS Foundation is the oversight body of the International Accounting Standards Board (IASB). The Foundation, through the IASB, is committed to developing, in the public interest, a single set of high quality, global accounting standards that require transparent and comparable information in general purpose financial statements.

The Trustees of the IFRS Foundation promote the work of the International Accounting Standards Board (IASB) and the rigorous application of IFRSs but are not involved in any technical matters relating to the standards. This responsibility rests solely with the IASB.
